

Built Well:

From FARM to TABLE

Locavore Farm

DAY 1:

Start your day strolling the eight-acre greenhouse at **Sunrise Greenhouse**. View an array of annuals, perennials, trees, shrubs, roses, vegetable plants and so much more. Be sure to visit the outdoor display gardens.

Plan to spend your evening under the stars at **Locavore Farm**. This unique farm-to-table dining experience offers guests a chance to slow down with friends, old and new, at their 100-ft. handcrafted table. Enjoy the bounty of Kankakee County's local homegrown goodness, lush surroundings, live music and count on making s'mores around the campfire. Not to miss - their General Store! You'll thank us later. Head back to the hotel to catch some zzz's after a busy day outdoors. Or, if you've planned well in advance, retire in one of Locavore's glamping tents.

B. Harley Bradley House

DAY 2:

Rise and shine! You have a full day ahead so fill up on a hearty breakfast at the hotel before heading out.

Your first adventure will be in Kankakee's **Riverview Historic District** at the **B. Harley Bradley House**, Frank Lloyd Wright's first Prairie Style creation. This fully restored home is nestled on the banks of the Kankakee River and is one of the stops on the state's **Frank Lloyd Wright Trail**.

From farm to table and beyond. Explore our Built Well Group Tour.

While you're in the neighborhood, enjoy a self-guided walking tour of the custom-built, carefully restored homes and the historic Churches.

Wrap up your morning with lunch at **Jaenicke's Root Beer Stand**. This family-owned and operated root beer stand has kept guests coming back since 1940 with root beer brewed on site. Seasonal hours.

Jaenicke's Root Beer Stand

Lights, camera, action! Step back in time with a tour of two iconic theaters in downtown Kankakee. **The Majestic** debuted in 1912 and showcased a host of well-known national and global vaudeville acts. Next, head down the block to the **Paramount Theatre**.

The Majestic

Strickler Planetarium

The Paramount opened in 1931 and has maintained its art deco heritage with a cobalt blue ceiling and intricate geometric designs in green, red, gold and silver.

From there, enjoy an afternoon tour of **Restoration Works**. Gayle and her team have been restoring historic windows for well over a quarter century and in 2017, received the Illinois Sustainability Award for the development of the Light Wave Stripper and green restoration practices.

Grab dinner and then head over to **Olivet Nazarene University's Strickler Planetarium** for an out of this world show on select evenings. Visit their website for show times.

Day 3:

Grab some breakfast, or if you want a more leisurely paced morning, a later brunch. We recommend fresh air and a walk on the crushed limestone at **Davis Creek Campground**, part of the **Kankakee River State Park**. The views will have you scheduling your next visit soon!

Before making your way home, you won't want to miss the world-class Italian-built Ruffatti pipe organ at **Betty and Kenneth Hawkins Centennial Chapel** on the campus of **Olivet Nazarene University**. After taking in all the sites of campus, grab some locally roasted coffee from **Connect Roasters** before you hit the road. See you again soon!
