## DAY ONE

Kick off an epic weekend getaway with the gals by shopping till you drop at our local antique stores. **Indian Oaks Antique Mall**, featuring a wind array of fine antiques and collectibles, covers 18,000 square feet and is handicapped accessible for shopping convenience. Right next door is **Top Notch Knots & Pots** where you can try your hand at crocheting, knitting or painting ceramics. You'll have a beautiful masterpiece to take home with you.

Head north a few miles and browse the **Manteno Antique Mall** and **Aly Antiques**. You'll find just what you're looking for....and then some! Fill up your {coffee} cup at **The Well Manteno** or maybe opt for a delicious treat at **PJ's Ice Cream**.

Finally, unwind with a glass of wine and a charcuterie board at **Flight 102**. Elegant, yet relaxing, this friendly wine bar offers an extensive selection of many world-class varieties sure to appeal to everyone in your party.

## DAY TWO

Early bird gets the worm! Head to the Saturday morning **Kankakee Farmer's Market** that's open May through October and grab some fresh baked goodies, produce or some yummy treats from the food trucks. While you're here, stroll across Schuyler Avenue and visit **Roze Boutique**, or drum up some nostalgia as you browse **Madame Saint Vintage**. You'll also want to pop into **Just Peachy Co.**, because you can never have too many clothes...right? Quench your thirst with a delicious iced tea or snuggle up to a cup of coffee at **Stefari West Ave.** - we recommend to pair your beverage with their delicious avocado toast (add an over-medium egg - you won't regret it)!

After lunch, visit the **Merchant Street Art Gallery of Artists with Autism** in downtown Kankakee. As one of four galleries in the nation that promote artists diagnosed with Autism Spectrum Disorder, the gallery is a must see. While you're here, check out the **French Heritage Museum at the Stone Barn**, or the **Kankakee Railroad Museum**.

Stroll to **Grapes & Hops** to enjoy their "famous" wine-slushies or a flight of local wines and whiskeys. They feature an everchanging variety of Illinois wineries with a hip industrial vibe. We also invite you to check out **Knack Brewing and Fermentations**; their diverse tap list includes lagers and ales and a "comfy like your living room" feel.

Cap off your day by enjoying a relaxing evening at one of the many local eateries.

## DAY THREE

Start your morning with breakfast at your hotel before embarking on your day. If architecture is your jam, experience the **Historic Churches of Kankakee County** with a self-guided tour. Or if you are craving the great outdoors, head over to the **Kankakee River State Park** to stretch your legs before heading home. There is still so much more to see and do. We invite you to schedule your return visit now!
